SI & NoR Highlights

1. A responsible adult must supervise eTally for an under 18 and remain onsite or afloat in the race area for the duration of the event.
2. Tell RIB or Start box if retiring and make sure they acknowledge.
3. RIBS will endeavour to attend all capsizes or boats with issues but cannot standby a single boat for extended periods as have other boats and duties to consider.
4. RHIB Crews must wear buoyancy aids not Lifejackets.
5. SI11 - Amendment to RRS Rule 35: Boats must finish within 2h30m of their fleet start, or sunset, whichever is the earlier. Boats passing the finishing line after this time will be scored as DNF.
6. NEW - At the Race Officers discretion, boats trailing behind their fleet may be awarded points according to their observed position on the course. The Race Officer will inform such boats on the water that this SI has been applied.

Disclaimer* These notes do not replace the need for sailors to read the NoR and SIs.
