

# Welcome to Youth Sailing Registration 2025

Recognised Club

# Welcome to the 2025 season

- We are a parent led team
- No experience is necessary, only enthusiasm
- No “Drop & Go” – parent onsite - ALWAYS
- Sign In/Rig/Launch/Assist/Pack Away/Sign Out
- All parents need to be prepared to go on (or in) the water if required and should be suitably dressed
- Lots of advice available, if you’re unsure of anything - please ask!
- **Pre-Loved Sailing Clothing**

- All plans are subject to change!
- Please be flexible
- Please be patient
- We aim to maximise the opportunity to get afloat whilst keeping safe and always within RYA & Government advice (ie COVID restrictions)
- Some sessions may run at different times, on different weekends or during the evening

# 2025 Check List

- Shows all dates & High Water times
- What to wear? Warm child = Happy child
- Some discount codes are available – see coaches
- Make sure it's named – Trugs are ideal
- Standard Operating Procedures - please read them
- Download a copy, print and keep!

**2021 Youth Checklist**  
What do children need to bring?

- Buoyancy aid - Ensure it is a good fit. Check straps are reported as the buoyancy aid must stay below the head when in the water.
- Whistle & wetbulb boots - A good fit is essential!
- Warm clothing.
- Sun cream & Hat
- Change of clothing/shoes
- Drink - in a plastic bottle that can be taken on the water
- PVA Youth Sailing Kitbag (Provided)

*Please ensure all buoyancy aids are clearly marked so they can be easily reunited with their owner.*

**What do parents need to bring**

- Buoyancy aid
- Clothing to get afloat or into the water
- Enthusiasm & patience

**Session dates and times**

Lead coach comes via Facebook, email or WhatsApp will be sent on the Wednesday or Thursday prior to a session confirming date & finish times along with session plan information as this is weather dependent!

As a rule of thumb for Kippers the early session will commence approximately 1½ hours before HW & the second session ½ hour after HW.

**Please let us know if you are or are not attending**

For the coaches to plan a session plan & organise safety cover it is essential that we know who's attending. Due to the tides there are times when the Children will be afloat around lunchtime. On these sessions please try to ensure they eat before they sail.

# Keen to be Green

# Warsash Sailing Club

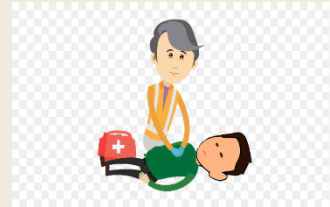

## 4 hr Training course

### FIRST AID 5-10YRS

This is a WSC completion certificate course for Youth sailors only aged between 5-10 years old. It covers a fun approach to CPR, applying bandages & slings, and working together to put someone in a recovery position.

This training will be 90% practical, and each child will come away with a small first aid manual and a certificate for attending the course.

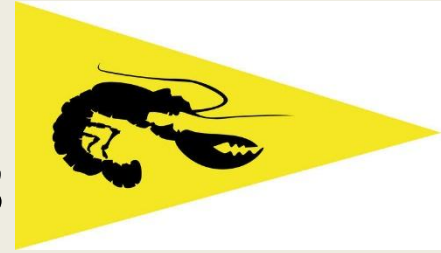

Parents!!

## FIRST AID BUT WITH FUN!

# Warsash Sailing Club RYA FIRST AID 11-17 yrs

This is an 8 hour RYA First Aid Certificate course for Youth sailors only aged between 11-17 years old. It covers the same principles as the adult course learning the basics of resuscitation, dealing with unconscious casualties, hypothermia, bleeding and shock.

Upon completion each Youth Member will be awarded a full RYA First Aid Certificate.

**FIRST AID 60% PRACTICAL**

# Groups & Sessions

- Session days will be confirmed post registration
- We reserve the right to allocate based on sailing experience and/or available resources
- All dates in the Youth Sailing Checklist
